ZSOI7 Structure

**ZSOI nr 7 is an educational institution located at Czarnogórska Street in the southern part of Cracow.**

The No. 7 Complex of General Education and Inclusion Schools comprises a kindergarten, a primary school and a middle school. Our school is one of the few schools in Cracow, which offer education for children with special needs.

Our main goal is to prepare the children to cope with difficulties, to succeed in life and to secure their welfare. In every child we want to arouse curiosity about the world and people around as well as perceptiveness and sensitivity.

## School priorities:

- knowledge
- self – awareness
- building relationships
- supporting students in their  
process of developing  
independent and life-long  
learning skills

## **We successfully teach our pupils how to be:**

- independent
- creative
- motivated to improve themselves
- open-minded towards new ideas and inspirations coming from other people

### **We teach openness to other cultures**

e.g. thanks to implemented projects:

**„Pole – a citizen of the world” and „European Day”.**

**Polish is the main language of instruction  
at our school**

**Foreign languages:**

English – kindergarten, primary school, middle school

**Our pupils are expected to choose a second language:**

- Spanish

- Italian

- French

- German

The teachers use:

- the Internet
- multimedia presentations
- interactive boards
- multibooks

**The kindergarten** has got 10 departments, including 4 integration groups located in a building at Serbska street.

The abovementioned separate branch features the following facilities:

- The Sensory Room,
- The Speech Therapy Room,
- The Sensory Integration Room,
- The Revalidation Room.

Our kindergarten takes part in some projects such as:

- **Mum, Dad I prefer water;**
- **Healthy breathing.**

Moreover, we organize professional theatre, cinemas, concerts, workshops, meetings with interesting people and excursions for our children.

On **Children's Day** the teachers and parents perform a fairy tale for young learners.

Every year for the last 14 years we have organized a **musical-theatrical performance inspired by L.J. Kern**. All the kindergartens from the entire Cracow are involved in this event.

Every year children and their parents take part in the **Carnival Party**.

Moreover, we carry out a project called „**Coloured week**”. Each day of the week the whole group wear clothes of the same colour, which differs day-to-day.

modern computer rooms

laboratories with  
interactive white boards

classrooms equipped with multimedia screens and projectors

comfortable and cosy classrooms for the youngest

equipped with ergonomic desks and chairs  
to ensure proper body posture while learning

the after-school day-care centre opens daily from 7am to 5pm

## ZSOI 7 participates in several international projects:

- POWER 2016 – 2018

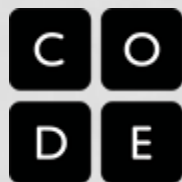

- ERASMUS+ Culture of Learning

- Wales

- EVS STRIM

- CodeWeekPL

- Hour of Code

- Safer Internet

## ZSOI 7 cooperates with:

- The Order of Malta - Poland – the patron of the school
- Pedagogical University of Cracow
- M.A.K.A.B.R.A. Association
- Psychological and Pedagogical Counselling Centre
- The Polish Scouting and Guiding Association
- The City District XI Council
- The Youth Cultural Centre
- The Police

Our kindergarten cooperates with the **STRIM** organization - we host volunteers from different European countries such as Albania, France, Greece, Italy, Spain and Turkey.

Volunteers working in host organisations have two main tasks:

- to participate actively in the daily life of the organisation,
- to promote their own culture and country through the implementation of their own small cultural projects.

## The foreign partners of ZSOI 7

The school actively cooperates with the Institute of Public Affairs of the Jagiellonian University, hosting foreign delegations from Saudi Arabia, Ukraine, England and Wales.
